UPCOMING EVENTS:

Tuesday, October 29th: Val Caldwell –The Wonderful World of Social Media, Parent Presentation 7:00pm at Erickson Collegiate

Friday, October 30th: Val Caldwell here all day doing presentations for 5-8 – 7/8 in AM – 5/6 in PM

Thursday, October 31st: HALLOWEEN!! Costume Parade after lunch and Grade 7/8's Escape Room
There will be a Potluck Halloween Lunch. Parent snack donations can be dropped off Halloween morning.

Friday, November 1st: Bag it Up Manitoba Count

Thursday, November 7th: Lifetouch Retakes at EES 8:45am. (Anyone getting retakes Lifetouch asks that you please be there on time and parents are responsible to transport them to and from. Thank you)

Friday, November 8th: Remembrance Day Service 1:30pm

Reminder for parents from Onanole Parent Group!

Onanole School will be holding a Halloween Potluck on Thursday, October 31st. Each child will be provided with a hotdog (veggie will be available). We are asking families if they can please send in either a SMALL serving of fruit, vegetable or another spooky snack for sharing. We had more than enough to go around last year, so let's keep sharing portions small!

If your children are not going to be on the bus either am or pm please let the driver know as soon as possible.
Thank you!

Send in your clean / garbage free plastics to the school anytime throughout the month. We are collecting bags for Bag it Up Manitoba. We will plan a count day toward the end of the month.

KINDERGARTEN

Happy Halloween!

With only two kindergarten days this week, we're thankful that one day does fall on Halloween so we can join in with the other classes to celebrate and have fun. A letter was sent home giving details about the afternoon activities and shared lunch. Just a friendly reminder that our class is contributing apples and caramel sauce for the Halloween Potluck Lunch.

With reports cards soon approaching I will continue to work on the EYE Assessments (Early Years Evaluation) for our first reporting period. The assessment is based on observations during play based learning free choice time, small group work and during one on one learning opportunities. The topics covered include the following:

- Awareness of Self & Environment
- Social Skills and Approaches to Learning
- Cognitive Skills
- Language and Communication
- Physical Development

The assessment program is exceptional and helps me to plan, develop and measure the progress of each child's skill development ensuring to meet their individual needs and learning potential.

Have a fun and safe Halloween everyone!

Mrs. Lindsay

Grade 1/2

In literacy we continue to work on our "5 Star Writing" by writing in our journals every week. Grade 2's have been working with nouns and proper nouns. The grade 1's practice their writing and we have started to talk about sentences and what a proper sentence should look like.

In math, the grade 1's have been working on representing numbers to 20 and the Grade 2's have been working on representing numbers to 100. Grade 2's have been playing games to practice their doubling skills. Grade 1's have been working on number recognition and counting. Please take time with your child and practice recognizing numbers and practice counting!

Just a reminder that Halloween is on Thursday, October 31st, and there will be hotdogs for students to enjoy for lunch. In the afternoon, we will be doing an escape room planned by the grade 7/8 classroom!

Happy Halloween!

Miss. Ushey

The Kindergarten class did a great job on their pumpkins! They are the start of our pumpkin patch that we are displaying on the library bulletin board.

Grade 3/4

Hello everyone!

Happy Halloween! I hope that everyone has had fun getting ready for this spooky holiday.

This is what we have been learning in Grade 3/4:

Math: We finished up our graphing unit on Friday with some graphing of our spooky Halloween scarecrows. We are now moving into our addition unit. Grade 3s will be focusing on addition strategies and Grade 4s will be focusing on refreshing their strategies and using them to add higher numbers.

ELA: In ELA we are currently working on comparing and contrasting different texts and are working on making connections to the books while we read (text-to-text, text-to-self, text-to-world).

Science: This week we are wrapping up our science unit on sound and hearing, we will be moving onto studying light!

Social Studies: In social studies we are shifting our focus from Canadian Citizenship to Remembrance Day.

Have a spooktacular week!

Miss Krahn

Grade 5/6

I hope everyone had a good weekend. We have several activities going on this week. Wednesday Val Caldwell is with us to discuss technology and internet safety. Thursday is Halloween.

Here is what we are up to in class:

ELA – Literacy Choices & Novel Studies

Math – 2 Digit Numbers x 1&2 Digit Numbers, and Division

Science – Nervous & Skeletal Systems

Social Studies – Early Indigenous People Across Canada

Phys. Ed. – Volleyball & Low Organized Games

Health – Community Safety & Supports

REMINDERS:

Technology/Internet Safety Presentation – Wednesday

Novel Section 2 Read – Thursday

Halloween Activities – Thursday

TUSC – November 4

Have a great week.

S. Stephenson

Grade 7/8 News...

Hello!

ELA: descriptive writing, speakers' corner, plot diagram. Learning about World War 1 and 2 history; responding to articles and photos centered. Upcoming Literary Circles and class read-aloud will be centered around World War One/Two.

Math: Grade 7: Patterns and Relations, Grade 8: Square Roots and Pythagorean Theorem

Science: Earth's Crust (geology), monthly STEM activities.

*during some science classes we have been planning The Amazing Halloween Race for the whole school to enjoy on Halloween.

Social Studies: World Geography

French: Grade 3-6 Animal Unit. Grade 7/8 French projects are due this week.

Home-Ec is every Day 5, bus leaves 8:30am.

All the best,
Ms.Nicole Wruth

Upcoming due dates:

Wed - speakers corner

Wed - French projects

Fri - "ancient" map

Fri - map booklet

WHEN DO ABSENCES BECOME A PROBLEM?

CHRONIC ABSENCE

18 days or more

WARNING SIGNS

10 to 17 days

GOOD ATTENDANCE

9 or fewer absences

Note: These numbers assume a 187-day school year.

Health and PE-

We are practicing the skills related to volleyball as well as low organized games.

In health we are looking at goal setting, positive and negative peer pressure and communication.

...Mrs. Ryznar

The Dream Makers have a few projects on the go...stay tuned to hear what they are up to!!
