## **Parent Group News!!**

The Onanole Parent Group would like to thank everyone that contributed to making the Christmas hot lunch a huge success. Around 220 staff, students and community members were fed a delicious hot turkey meal and \$1900.00 was raised to support our students. Thank you very much for all donations of time, supplies and food.

## **Principals Message**

Welcome back and Happy New Year to everyone. Throughout the school we will be moving into January with the theme of 2020 Vision. This will begin with some art projects and include a review of our class and school PAX visions. Our school vision is posted in the hallway and classroom specific visions are posted in the classrooms. We will meet with students to review the visions we collaboratively created at the beginning of the year and reflect on how we are carrying those visions into 2020.

Thanks to Mrs. Lindsay for this idea.

## KINDERGARTEN NEWS

Happy New Year!

The Kindergarten class is going to welcome in the New Year with a little celebration. Our Wonder Box will have little party favours in it and fun glasses to help us establish our 2020 Vision for the new year. We'll discuss goal setting and what they hope to learn this year. Before Christmas we completed all of our letters of the day and we will be moving into a word of the day. I will be sending home little books with their word of the day for them to practice with you. In math we will continue working on putting the number 10 together and taking it apart and will be counting to 30.

January is always a great new start and a whole lot of learning takes place.

I look forward to our little journey together.

Mrs. Lindsay

### Hello Parents/Guardians of OES~

We hope that the expression of excitement on your faces were just as expressive as your child's when you opened your kids can shop gifts. If you have a picture you would like to share, please do, we would love to see it!

Thank you to our students and their families who donated \$5 to the Foster Child Fund. It is true what they say, "It is always better to give than to receive." I am happy to report that your donations from the Kids Can Shop totalled \$290.00. Way to go Onanole School!!!!

## Grade 1/2

Happy New Year!

In literacy, we will continue to work through our literacy centers. We will also begin talking about settings and characters for the books we read in class. Grade 1's will continue talking about reading strategies to use when they come across a word they don't know.

In math, we will continue to work on addition and subtraction and practicing our mental math skills. We worked hard on counting to 100 by 5's and 10's and now we will begin practicing counting by 2's.

I wish everyone the best in 2020!  
Miss Ushey

### WHEN DO ABSENCES BECOME A PROBLEM?

#### CHRONIC ABSENCE

18 days or more

#### WARNING SIGNS

10 to 17 days

#### GOOD ATTENDANCE

9 or fewer absences

**Note:** These numbers assume a 187-day school year.

Colder temps are here to stay for a

little while, I hope not too long. We ask that students are

dressed accordingly. It is important during recesses and travelling on the bus.

## Grade 3/4

Hello everyone!

Happy New Year! I hope that you have been able to enjoy the holiday season and have had a good start to 2020! Heading into the new year, the Grade 3/4s will be working on the following subject areas:

**Math**: In math we will beginning to focus on multiplication concepts and will be working on practicing basic facts. Small math activities may come home with the students for extra practice during this unit.

**Science**: In science will with be working on finishing our exploration of the properties of light and then will be shifting our focus to rocks and minerals.

**Social Studies**: In social studies we will be finishing our look at world communities and world geography by discussing Human Rights around the world and what it looks like specifically in our community. We will then be gearing up the travel back in time to explore the ancient civilization of Egypt!

**ELA**: Reading logs are going home with your child today, once they have completed one reading log they may return it to school for a small prize! We will be focusing on story mapping and summarizing the material that we are reading and will start our unit on writing fractured fairy tales.

I hope that you enjoy the week ahead!

***Ms. Krahn***

## Grade 5/6

I hope everyone had a fun and relaxing break! I would like to congratulate the kids on their excellent performances at the Christmas Concert back in December. I would also like to thank the parents and staff members for all your help with memorizing lines, costumes, make-up, sets, etc. It is very much appreciated.
