

ONANOLE SCHOOL GRADE 3/4 SCHOOL SUPPLY LIST 2019-2020

I will be purchasing the supplies for the whole class.

We would appreciate having the students bring **\$35 cash or cheque** on the first day of school, **Friday, Sept 6th.**
Cheques are to be made out to Onanole Elementary School.

Students will not be storing supplies in their desks.
Please **do not** send extra supplies with them.

Please do send:

- a. Lunch Box
- b. Milk cup if using milk program.
- c. Indoor shoes – preferably running shoes for the gym.
Over the last few years I have noticed that the skateboard style do not tighten up around the kids' feet. They often lose their shoe or have to work hard at keeping them on during activities. **(Laced shoes are great for fine motor skills. Please practice with your child before sending lace up shoes. I can help tighten them once they have tied them up.)**
- d. Shorts/sweats and t-shirt for gym.
- e. Clear water bottle...??...or metal bottle....??....
We will send home on Fridays for washing.
- f. Back Pack or Gym Bag.

Please make sure that all items that belong to your child are labeled.
