

**K Supply List for 2019-2020 School Year.
Onanole Elementary School**

Students will need:

- Lunch Kit
- Water bottle
- Back pack or gym bag
- Indoor shoes (white soles preferred,
(Velcro unless your child can tie his/her own shoes.))

We will be making a bulk purchase of the remaining supplies for the students. This has many advantages in a primary classroom where students are working cooperatively in a variety of different groupings throughout the day. It means that students can use the supplies at hand, no matter which table or area they are working in at the moment.

We would appreciate having the students bring a **cheque for \$30 made out to Onanole School** on the first day of school, Friday, Sept. 6th.

Please remember to **label your child's backpack, water bottle, shoes, boots, jackets, etc.**
